Why Choose Us?

24/7 Availability

Port operations never sleep, and neither do we. We operate around the clock.

Strict Quality Control

Temperature-controlled logistics (reefer trucks) ensure absolute freshness for provisions.

Global Standards

Full compliance with IMPA, ISSA, and local port authorities.

Competitive Pricing

Strong purchasing power allows us to pass cost savings directly to you.

Health, Safety, & Environment (HSE)

At PT. Aby Marine Perkasa, safety and environmental stewardship are at the core of our operations. We strictly adhere to international food safety standards (HACCP) and ensure all marine supplies comply with environmental regulations to minimize the carbon footprint of maritime logistics.

We are committed to delivering reliable, efficient, and customer-focused marine supply solutions that support the operational excellence of our clients. By combining high-quality products, responsive service, and a well-managed supply chain, PT. Aby Marine Perkasa strives to build long-term partnerships based on trust, professionalism, and consistent performance. Our experienced team is dedicated to meeting the evolving needs of the maritime industry while ensuring timely delivery and exceptional service at every stage.
